

## ***Publications***

- Good, T.P., J.C. Ellis, C.A. Annett, and R. Pierotti. (*accepted pending revision*) Bounded hybrid superiority in an avian hybrid zone: effect of mate, diet and habitat choice. *Evolution*.
- Klubnikin, K., C.A. Annett, M. Cherkasova, M. Shishin, and I. Fotieva. 2000. The sacred and the scientific: the role of Traditional Ecological Knowledge in the conservation of Siberian rivers. *Ecological Applications* (Special Feature: Traditional ecological knowledge, ecosystem science, and environmental management. J. Ford and D. Martinez, editors) *In press* October 2000, vol. 10 no. 5.
- Pierotti, R. and C.A. Annett. (*accepted for publication*) The ecology of Western Gulls in habitats varying in degree of urban influence. *In* J.M. Marzluff, ed. *Avian conservation in an urbanizing world*.
- Timmerman, C., C.A. Annett, and C. Bailey. 2000. Morphometrics of the feeding apparatus of juvenile largemouth bass (*Micropterus salmoides*). *Transactions of the American Fisheries Society* 129:618-622.
- Annett, C.A., R. Pierotti, and J.R. Baylis. 1999. Male and female parental roles in a biparental cichlid, *Tilapia mariae*. *Environmental Biology of Fishes* 54:283-293.
- Annett, C.A. and R.J. Pierotti. 1999. Longterm reproductive output and recruitment in Western Gulls: Consequences of alternate tactics in diet choice. *Ecology* 80:288-297.
- Annett, C.A. 1999. Book review: *Sex, color, and mate choice in guppies* by Anne E. Houde. *Animal Behaviour* 56:1302.
- Golubtsov, A.S., P.B. Berendzen, and C.A. Annett. 1999. Morphological variation and taxonomic status of the Altai osman *Oreoleuciscus* (Pisces: Cyprinidae) from the upper reaches of the Ob River system. *Journal of Fish Biology* 54:878-899.
- Annett, C.A. 1998. Hunting behavior of Florida largemouth bass (*Micropterus salmoides floridanus*) in a channelized river. *Environmental Biology of Fishes* 53:75-87.
- Annett, C.A., and K. Klubnikin. 1998. Observations of grassland aquatic communities in the steppes of North America and western Siberia. *Proceedings of the International Ecological Congress* 1(4):13-22.
- Pierotti, R., C.A. Annett, and J. L. Hand. 1997. Male and female perceptions of pair-bond dynamics: monogamy in the Western Gull. Pages 261-275 *In* P.A. Gowaty, ed. *Feminism and Evolutionary Biology*. Academic Press.
- Annett, C.A., J. Hunt, and E.D. Dibble. 1996. The Compleat Bass: Habitat requirements for all life stages of largemouth bass. *American Fisheries Society Symposium* 16:306-314.
- Pierotti, R. and C.A. Annett. 1995. Western Gull (*Larus occidentalis*). *In* A. Poole and F. Gill, eds. *The Birds of North America*, Philadelphia: The Academy of Natural Sciences, Washington D.C. American Ornithologist's Union. 28 pp.
- Pierotti, R. and C.A. Annett. 1994. Patterns of aggression in gulls: asymmetries and tactics in different roles. *Condor* 96:590-599.
- Pierotti, R. and C.A. Annett. 1993. Hybridization and male parental care in birds. *Condor* 95:670-679.
- Stewart, D. W. and C.A. Annett. 1991. *Dynamic Modeling in Behavioral Ecology*.

- Condor 93:789-790.
- Pierotti, R. and C.A. Annett. 1991. Diet choice in the herring gull: effects of constraints imposed by reproduction and ecology. *Ecology* 72:319-328.
- Dickman, M., C.A. Annett, and G. W. Barlow. 1990. Unsuspected cryptic polymorphism in the poly-chromatic Midas Cichlid. *Journal of the Linnean Society (London)* 39:239-249.
- Pierotti, R. and C.A. Annett. 1990. Diet and reproductive performance in seabirds. *Bioscience* 40:568-574.
- Annett, C.A. 1989. Foraging Theory. *Condor* 91:222-223.
- Annett, C.A. 1989. Differential predation on colour morphs of the Midas cichlid, *Cichlasoma citrinellum*. *Animal Behaviour* 37:935-942.
- Annett, C.A. and R. Pierotti. 1989. Chick hatching as a trigger for dietary switching in the Western Gull. *Colonial Waterbirds* 37:4-11.
- Pierotti, R. and C.A. Annett. 1988. Dietary specialization and reproductive success in gulls. Pages 40-42 *In: Seabird food and feeding ecology: Proceedings Third International Conference Seabird Group.*
- Pierotti, R. and C.A. Annett. 1987. Reproductive consequences of specialization and switching in an ecological generalist. Pages 417-442 *In* A.C. Kamil, J. R. Krebs, and H.R. Pulliam, eds. *Foraging Behavior*. Plenum Press.
- Annett, C.A. 1987. Proximate mechanisms affecting dietary switches in breeding gulls. *Studies in Avian Biology*, 10:102.
- Annett, C.A. and R. Pierotti. 1984. Laboratory and field investigations of the foraging behavior of the leather seastar, *Dermasterias imbricata*, in Monterey Bay, California *Marine Ecology Progress Series* 14:197-206.

### ***Reports to Agencies***

- Annett, C.A. 1995. Patterns of supplemental stocking among different lake types managed by the Arkansas Game and Fish Commission. Final Report DJ Project Number F-54-2 Job 1.
- Annett, C.A. 1995. Estimation of growth and survival rates of stocked fingerling largemouth bass in different lakes. Final Report DJ Project Number F-54-2 Job 2.
- Annett, C.A. 1995. Report to the NSF/NATO Postdoctoral Research Program in the Former Soviet Union.
- Annett, C.A. 1995. Report to the National Academy of Sciences COBASE Program for Collaborative Research in Russia and Eastern Europe.
- Annett, C.A. 1994. Written testimony on management of Wild and Scenic Rivers in the Ozark National Forest, provided to Arkansas Attorney General.
- Six co-authors. 1993. A review of the taxonomic and population status of the Alabama sturgeon, *Scaphirhynchus suttkusi* (Williams & Clemmer). Final Report submitted to the U.S. Fish and Wildlife Service. (Restricted distribution due to Federal Court Injunction).
- Annett, C.A. 1993. Report to the National Academy of Sciences/Russian Academy of Sciences Young Investigators in Biodiversity.
- Pierotti, R. and C.A. Annett. 1989. Management and manipulation of the western gull

colony on Alcatraz in relation to the planned Open Island Concept. National Park Service, Golden Gate National Recreation Area.

Pierotti, R. and C.A. Annett. 1985. Breeding biology and nest site selection in western gulls on Alcatraz Island. Report to the National Park Service.

Pierotti, R. and C.A. Annett. 1981. Distribution of potential migratory staging areas for waterfowl in the Great Basin Desert of N. California. Bureau of Land Management.
